

Oregon COVID-19 SITUATIONAL STATUS REPORT

Summary as of: 3/26/2020 at 0930

*Current Oregon Public Health Emergency Response Activation Level:
Level 1 for COVID-19*

The highest level of response reserved for critical emergencies and includes full AOC/ECC activation. The Oregon Public Health Division assigns the largest number of staff possible to work on the response. Incident leadership decides when a lower level of response is needed.
